enquiries@rubis-ci.co.uk  
rubis-ci.co.uk

With a Rayburn and  
Rubis you can cook, keep  
your house warm and supply  
all of your hot water

## Install

Our experts are fully trained to install and maintain your Rayburn to the highest standard.

## Fuel

Our Thermo Premium Kerosene not only keeps your stove working at its best, it's also better for the environment.

## Maintain

Rubis will support you through the entire process, leaving you to enjoy home-cooked meals, a warm house and hot water.

RAYBURN

STANLEY

ESSE

Rubis are the only accredited & authorised service agents for Rayburn.

This means our engineers have been through a specialised training programme provided by Rayburn and are fully insured to undertake the servicing and installation of your oil fired cooker.

Our engineers have also been trained by AGA enabling us to maintain their cookers with the expertise required. We also have significant experience in maintaining Esse & Stanley stoves.

Rubis are the only company in the Channel Islands able to install, fuel and maintain your oil fired cooker, boiler & cylinder. For more information visit our website: [rubis-ci.co.uk](http://rubis-ci.co.uk)
